

07 Dec, 2020

**TO WHOM IT MAY CONCERN**

This is to certify that Mr. Shreyas Maitreya has done his internship in Mobilytics Technologies Private Limited, Gurgaon from 15th April 2020 to 30th September 2020. He has worked on a project titled "Battery Management System development to protect electric vehicle battery". As part of project, he developed estimation algorithms, supported hardware design team and worked on predictive maintenance patent for the company.

During this internship he demonstrated good engineering skills with a self-motivated attitude to learn new things. We wish him all the best for future endeavors.

**Sincerely,**

**Vijay Choudhary**  
**Co-founder, Mobilytics**
